**DEFENDANT E'MANI GREEN'S  
MOTION FOR RECONSIDERATION  
AND OBJECTION TO PLAINTIFF'S  
MOTION FOR AN EXTENSION OF  
TIME TO RESPOND TO GREEN'S  
MOTION TO DISMISS**

---

Defendant E'mani Green, by and through her undersigned counsel, files this Motion for Reconsideration Pursuant to Rule 59(e) and Opposition in response to Plaintiffs' Motion for an Extension of Time To Respond to Defendant's Motion to Dismiss and the Court's Order Granting same on August 29, 2025. In support, Defendant Green states as follows:

1. Plaintiffs filed their Opposed Motion for Extension of Time on August 29, 2025 at 9:27 am.
2. Upon receipt, counsel for Defendant Green immediately began preparing an Opposition in response, despite the Court's indication that a response was not due until 9/12/2025.
3. However, approximately one hour later, at 10:30 AM on August 29, 2025, the Court entered a Text Order granting that Motion.
4. Defendant Green now moves this Court to reconsider that Order pursuant to Rule 59(e) of the Federal Rules of Civil Procedure.

5. A district court has the discretion to Grant a Rule 59(e) motion “to accommodate an intervening change in controlling law; (2) to account for new evidence not available at trial; or (3) to correct a clear error of law or to prevent manifest injustice.” *Hill v. Braxton*, 277 F.3d 701, 708 (2002).

6. Here, new evidence presented in this brief is sufficient to warrant this Court’s reconsideration, as well as to prevent manifest injustice as to Defendant Green.

7. Local Rule 7.1 (e) allows fourteen (14) days to respond to a filed Motion. Plaintiffs now request double that time again, which would provide Plaintiffs with forty-five days to respond to Defendant Green’s Motion to Dismiss. This is well outside any timeline contemplated by either the Federal Rules of Civil Procedure or the Local Rules.

8. First, Plaintiffs have already filed an Opposition to Defendant Green’s Motion to Dismiss. See ECF 61.

9. Any further opposition filing would be, in effect, a surreply, which are explicitly disallowed by Local Rule 7.1(e), considering no request for leave has been made.

10. Further, Plaintiffs’ primary reasoning in support of the requested continuance is to obtain additional time to obtain “supporting documents” from “multiple agencies” that were hired to attempt service on Defendant Green in response to Defendant Green’s Motion to Dismiss, which is based on Plaintiffs’ failure to make proper service.

11. However, Rule 4(l) of the Federal Rules of Civil Procedure requires that “proof of service must be made to the court.” Presumably, Plaintiffs should already have had all documents necessary to prove that service was made, or at least support the efforts that were made to effectuate service.

12. Here, however, not only did Plaintiffs fail to make effective service in accordance with the Federal Rules of Civil Procedure, Plaintiffs have never filed an Affidavit of Service with the Court, as required by Rule 4(l).

13. Thus, Plaintiffs' requested continuance seeks additional time not only to reply to Defendant Green's Motion to Dismiss, but also to comply with further violations of the Federal Rules of Civil Procedure.

14. Plaintiffs' Motion also argues that Plaintiffs' Counsel had travel previously scheduled from August 29 to September 1 and September 4 through September 8, which presumably makes preparing a timely response difficult.

15. However, Defendant Green's Motion to Dismiss and supporting Brief was filed on August 18, 2025. Therefore, Plaintiff's counsel had 10 days to prepare a response to Defendant Green's Motion to Dismiss prior to Plaintiff's counsel previously scheduled travel.

16. Instead, of planning ahead for travel that she had prior knowledge of, Plaintiffs' counsel waited until August 29, 2025, day 11 of the 14 day time to respond, and the first day of her "previously scheduled" travel to file a Motion for Continuance with the Court.

17. Finally, Plaintiffs argue that there will be no prejudice to the Defendant. This couldn't be further from the truth.

18. Defendant Green has complied with the Federal Rules of Civil Procedure and all associated timelines in responding to Plaintiffs' Complaint and filing her Motion to Dismiss. Yet Plaintiffs continue to flaunt the Federal Rules of Civil Procedure, first ignoring the strict timelines and requirements to make effective service and now seeking an extensive continuance when Plaintiffs' failures were brought to the attention of the Court.

19. Allowing Plaintiffs forty-five (45) days to attempt to gather evidence in opposition to Defendant Green's Motion to Dismiss directly prejudices Defendant Green, especially considering that any such supporting document should have been previously filed with the Court as part of an Affidavit of Service, and available to Defendant Green when preparing her Motion.

WHEREFORE, for the reasons stated above, Defendant Green respectfully requests that this Court reconsider its August 29, 2025, Order and deny Plaintiffss Motion for Extension of Time to Respond to Defendant Green's Motion to Dismiss.

Respectfully submitted this the 29<sup>th</sup> day of August, 2025.
